

Friends,

Thank you! Because of you, my life is filled with warmth and friendship and color and fun. You inspire me! Don't know what I'd do without you and your amazing support.

Thought you might like to see a few photos from today's installation at the Triton Museum of Art . . .

Oh, the glamorous life of an artist! With Bryan Callanta unloading 17 paintings from the Uhaul truck into the Triton Museum of Art.

Feeling gleeful after all paintings were delivered unharmed to my favorite contemporary art museum :-)

Photos are compliments of Marie Cameron, a wonderful friend, artist and photographer. Thank you Marie!

Hope to see you at [the exhibition](#)! It's up now through Valentine's day.

Wishing you a Thanksgiving stuffed with happiness!

Warmly,
