

Nature's way of saying 'Let's party!'

Fellow art lover,,

Spring is nature's way of saying 'Let's party!' (Robin Williams).

What's your way of saying 'Let's Party!'?

For me, partying has changed a bit from my college days :).  
Now, I like chilling with friends and family, hiking and biking in  
the California hills, exploring new places, and (of course)  
painting!
