

Hi there Fellow art lover,

Here's an interesting question for you . . . 'What advice would you give to your younger self?'

'Afternoon Light', original oil painting by Holly Van Hart
\$1,500, [Available. Purchase details here](#)

If you feel like sharing your answer, please hit 'reply' and drop me a note. It would be awesome to learn from your experiences!

After giving lots of thought to this question, and tossing aside a few false starts, I found my answer . . . 'To be successful, you need to work smart, work hard, and add a healthy dose

of self promotion.'

In the past I was pretty good at the 1st two (working hard and smart), and totally oblivious to the self-promotion part. I'm starting to get better at it now (if I didn't, no one would know my art existed!), but still have plenty to learn.

Do you have any tips? I'm all ears!

Hope you're having a best-ever summer.

Til next time,
Holly

P.S. Speaking about self-promotion, the painting shown above is named '[Afternoon Light](#)' and it's for sale :-). The price is \$1,500, including shipping within the US. If you live nearby, I'll even come to your home or office and hang it on the wall for you! If you're interested, email me at holly@hollyvanhart.com.
