This quote is from my new friend, a noted doctor and author from Southern California. She was in San Francisco last week on vacation, and visited my studio to pick up her commissioned painting. Wow, I feel so honored. That made my day (my week!). Thank you Sue!!!

I love creating custom paintings. Good thing, because I'm currently working on 6 of them,

ranging in size from 16 inches wide up to 80" wide. That's wider than you are tall!

“As soon as I saw the painting I commissioned from Holly, I loved it. I had supplied a reference photo, and asked Holly to use artistic license to create a special painting to commemorate my wedding anniversary. Holly’s painting captures the spirit of the photo, but is much more powerful. This is the second painting I’ve purchased from Holly, and it is most likely not the last. I am a **very happy customer**.”

— V. Gillard, San Jose, California

“We are decorating our new home and chose 3 of Holly Van Hart’s paintings. Each is special in its own way. The painting that gets noticed the most graces our entryway. It is of a Vietnamese young woman dressed in richly colored garb. Visitors always comment on it; they love the depth of the colors, as well as the emotion in the woman’s face and hands.”

— Dr. T. Lamm, Portola Valley, California

“I’ve enjoyed your landscape painting on my wall for over a year now. The colors, the reflections on the water, the cool blues with just a hint of light instantly transport me to that beautiful lake. I’m **delighted** with my purchase.”

— P. Howard, Lake Livingston, Texas
