Saratoga **artist Holly Van Hart**, whose work is carried at **Los Gatos Museums Art Gallery**, is showing her work for two days in May at her home studio, with partial proceeds going to benefit Global Fund for Children.

The **May 17 to 18 exhibit** will feature Van Hart's new abstract nature paintings.

And while parents enjoy the art exhibit and studio tour in Saratoga, children's art projects will be available to keep the young ones busy, and kids and adults can contribute some brushstrokes to a community-created abstract painting.

This exhibit in May is a preview of her solo show at the **Triton Museum of Art** from November 2014 to February 2015.

Van Hart's event will be 11 a.m. to 5 p.m. at 20830 Boyce Lane in Saratoga.

This exhibit is part of **Silicon Valley Open Studios**, and many other artists in the West Valley area will host exhibits in their own studios this same weekend.
